Holding Space

THANK YOU FOR WATCHING!

Please stay and enjoy our talk back session with the nominated artists. Feel free to ask questions in the chat!

The DMV Artists of Color Affinity Group Holding Space Showcase is a non genre specific movement program highlighting BIPOC dance artists in the DC, Maryland, and Virginia areas. The program was navigated by community nominations and a community panel of five selected the artists. Co-presented with Coalescence Showing, we are pleased to approach a process that inverts the notion of showcasing artists. This program hopes to be biannual and gather funds to give these highlighted community artists startup money for their next artistic endeavor.

SPECIAL THANK YOU TO DANCE PLACE FROR SUPPORTING THIS
